

# Discovering an OpenStack Cloud

---

**Bernd Bausch**

CLOUD TINKERER

<https://github.com/berndbausch/>

# Demo

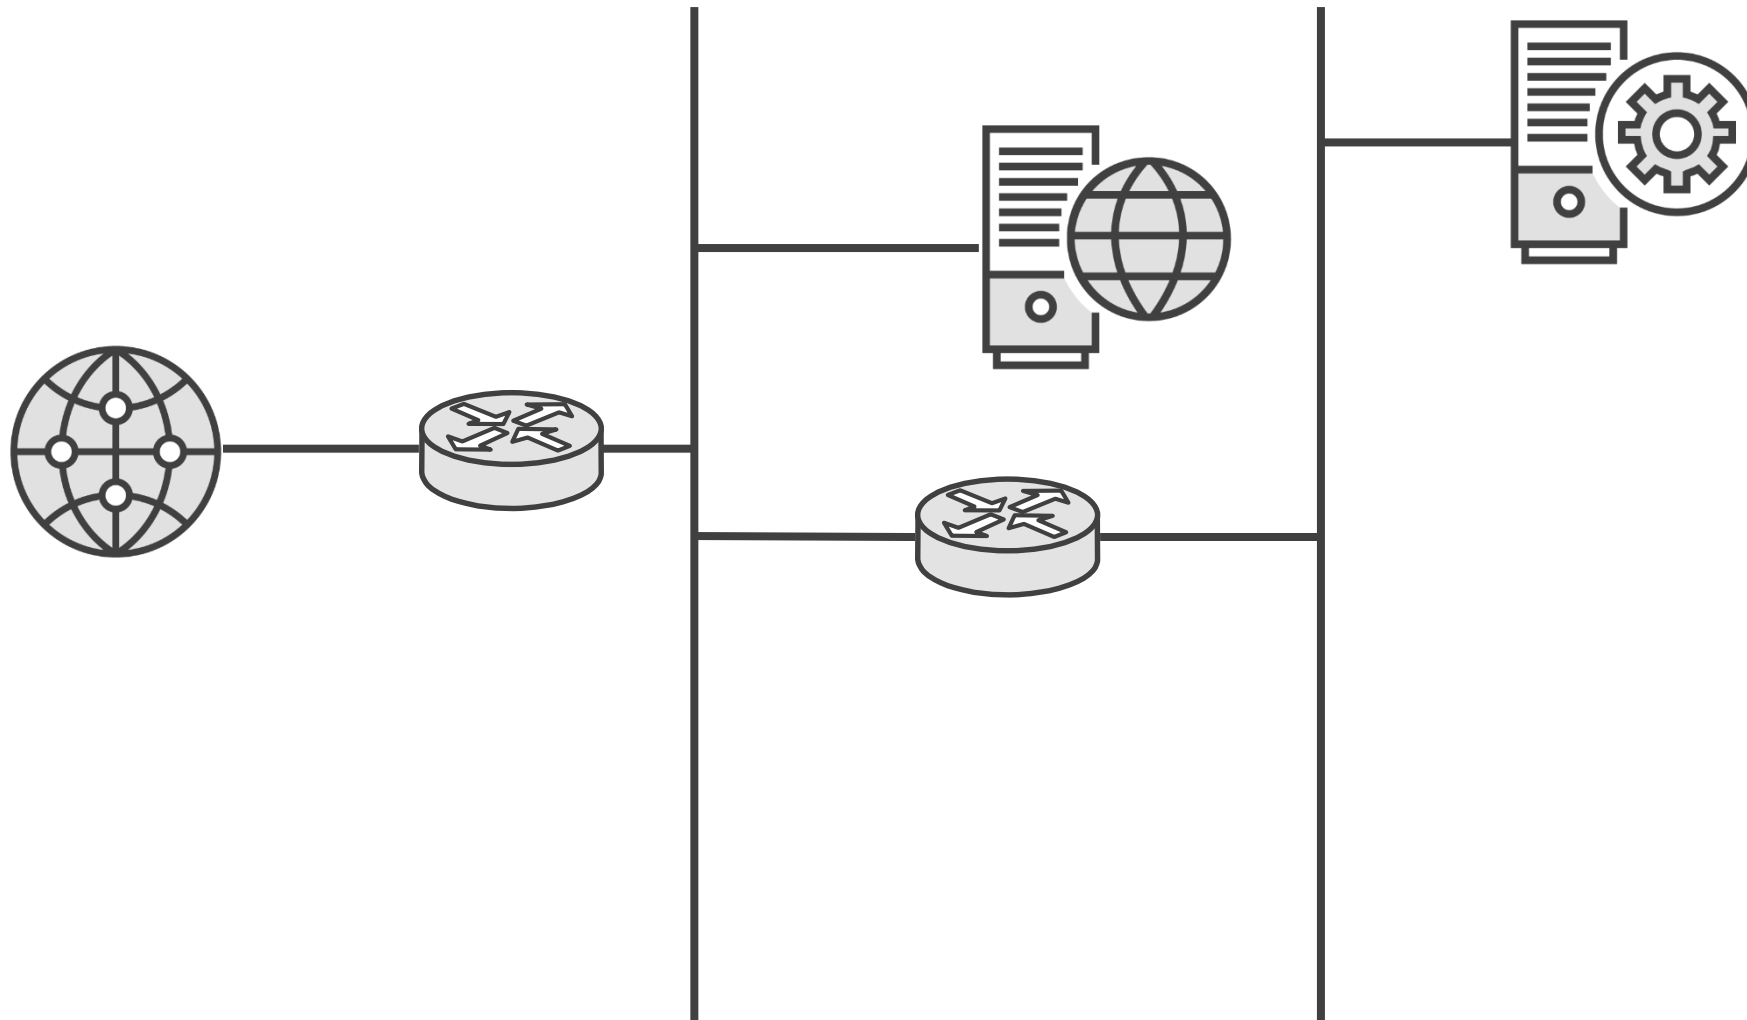

## More about instances

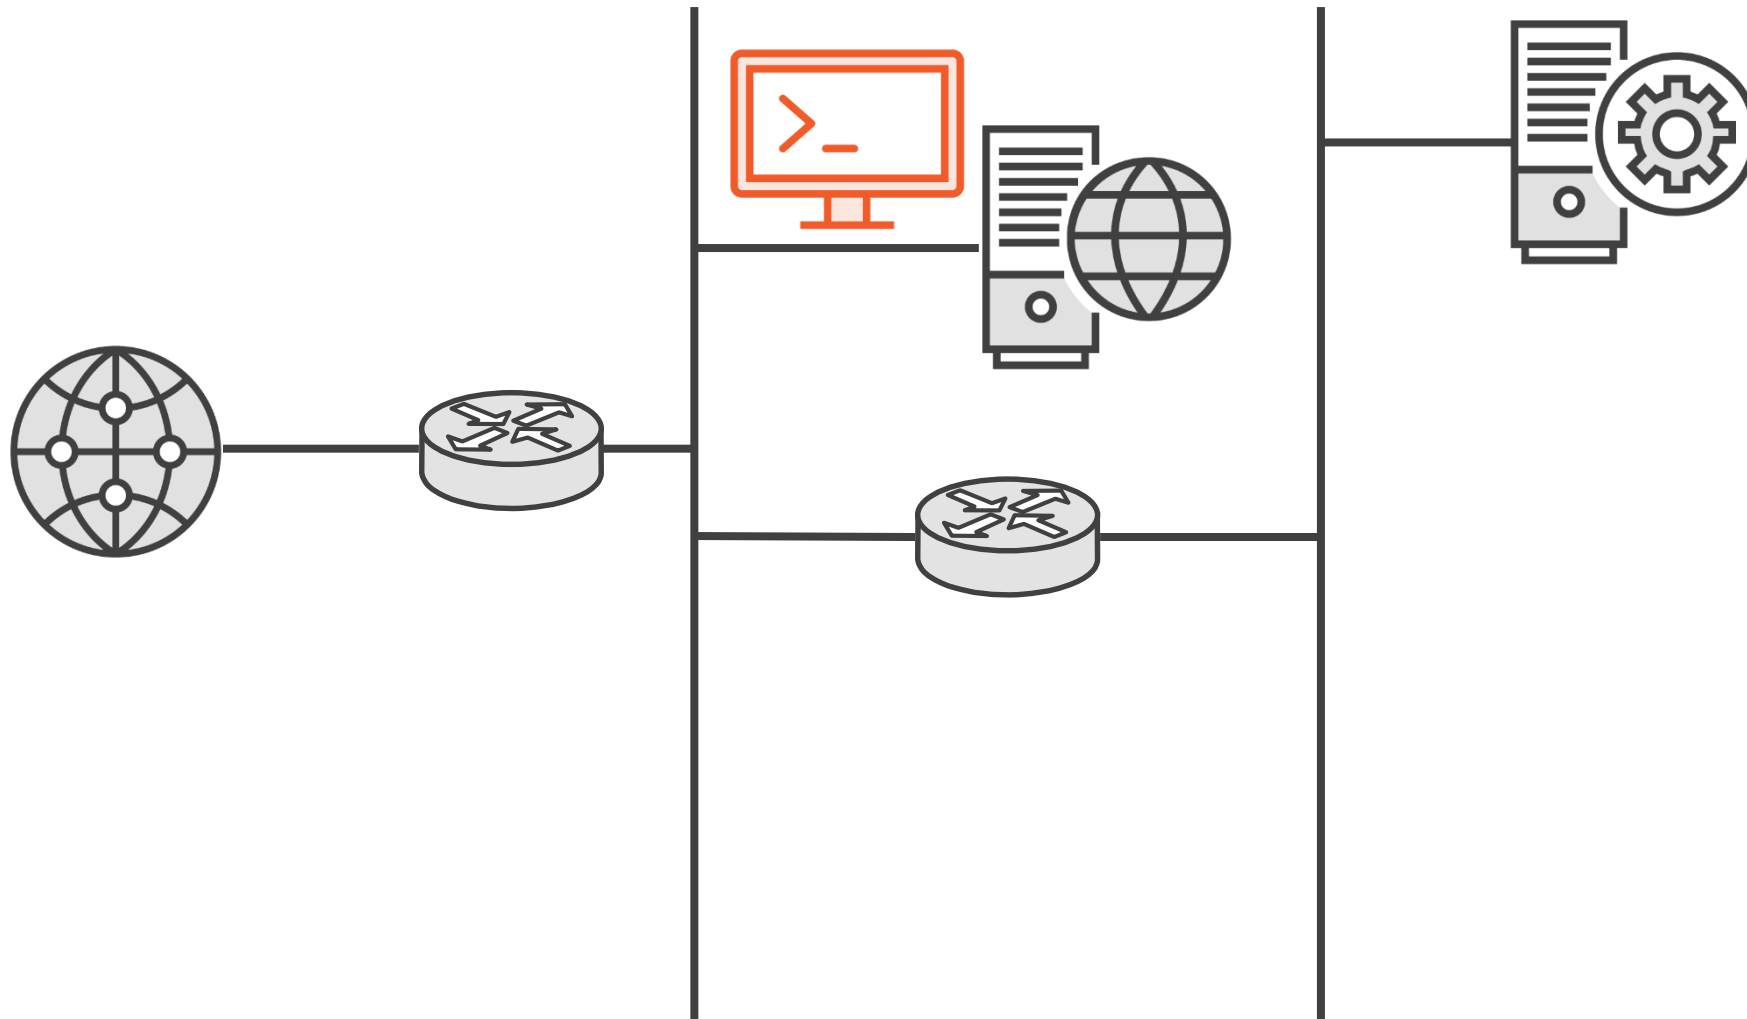

- How to access them
- How to open their firewall
- How to avoid passwords
- How to store persistent data

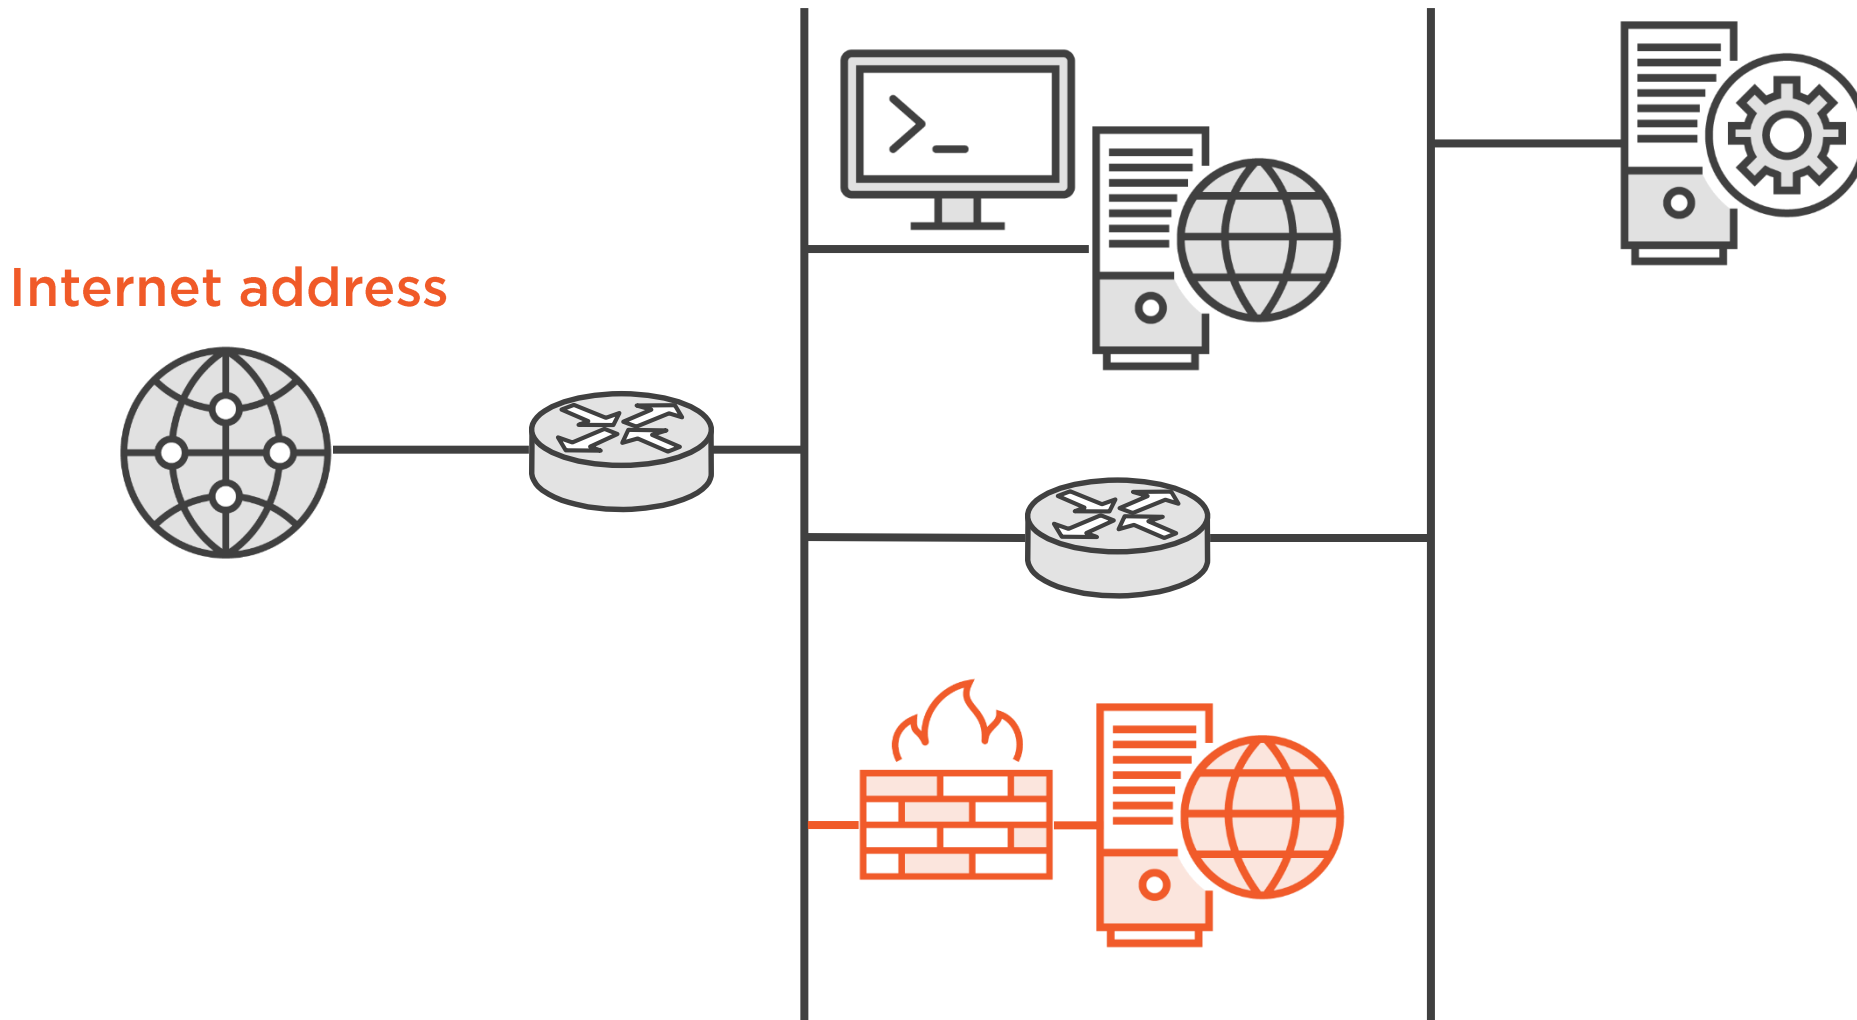

# Multi-tiered Application

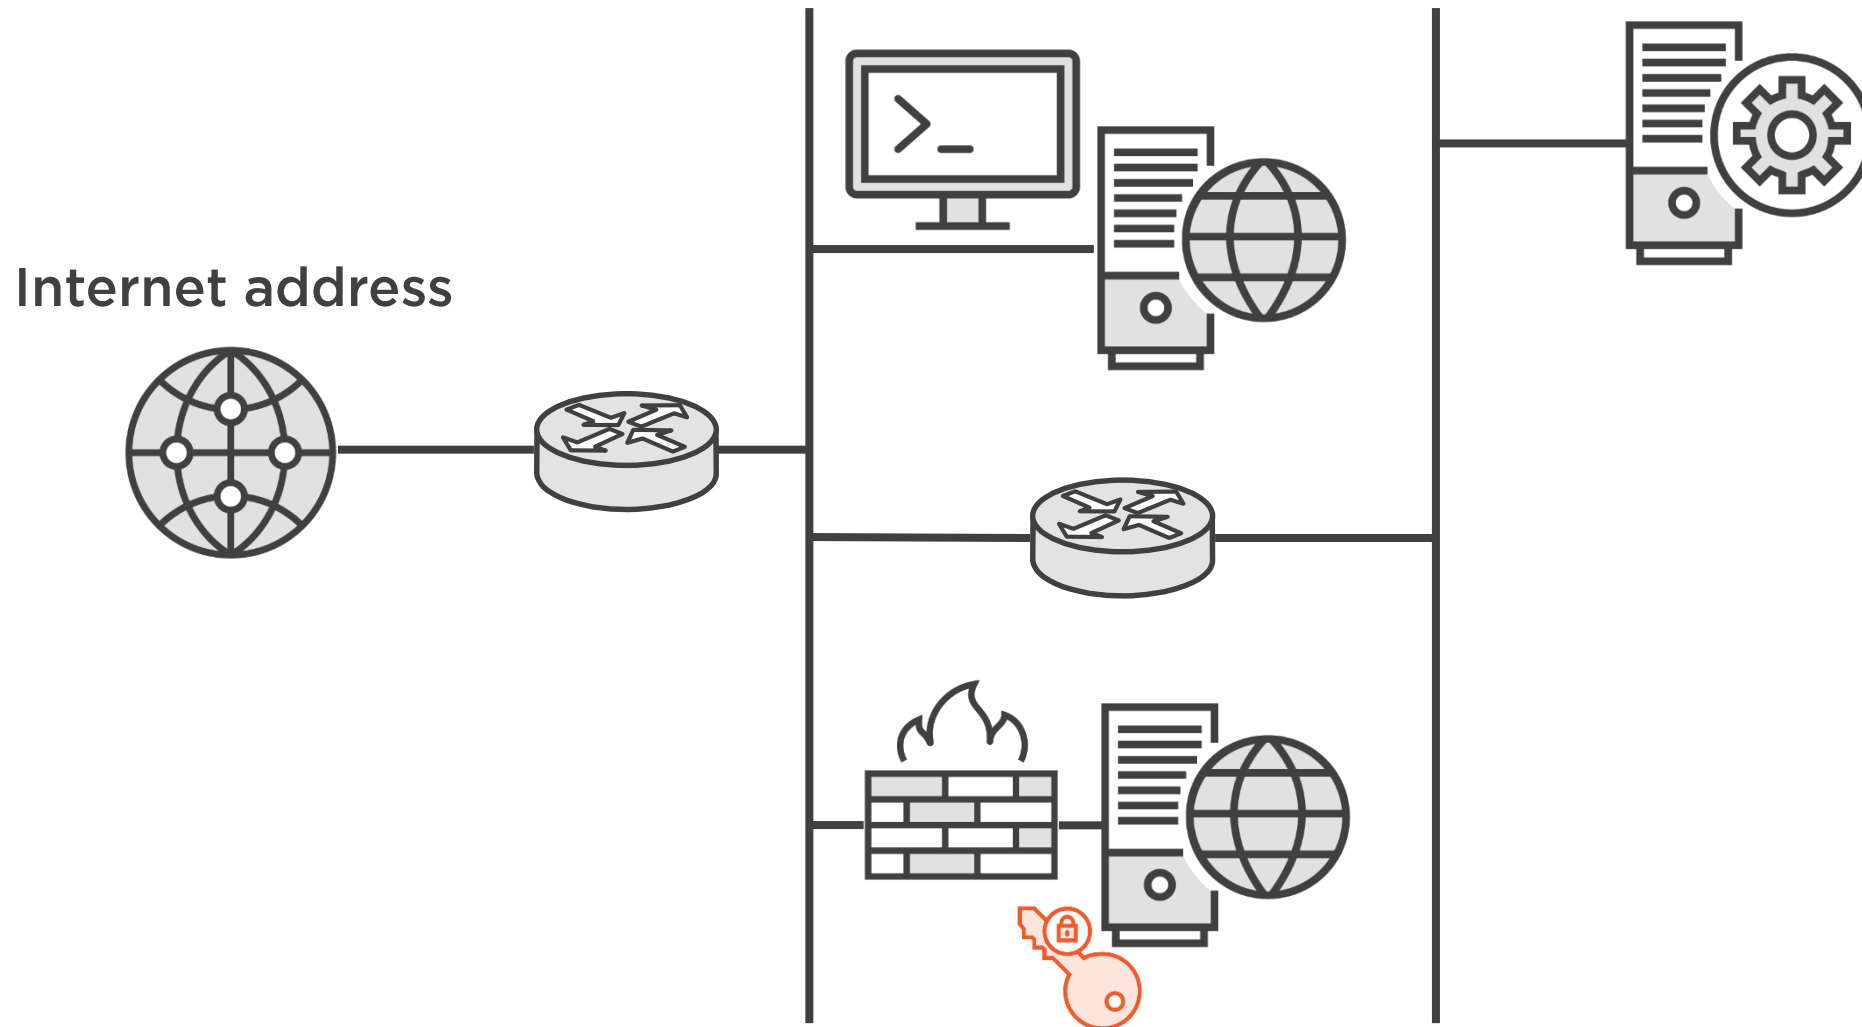

# Accessing Instances - Console

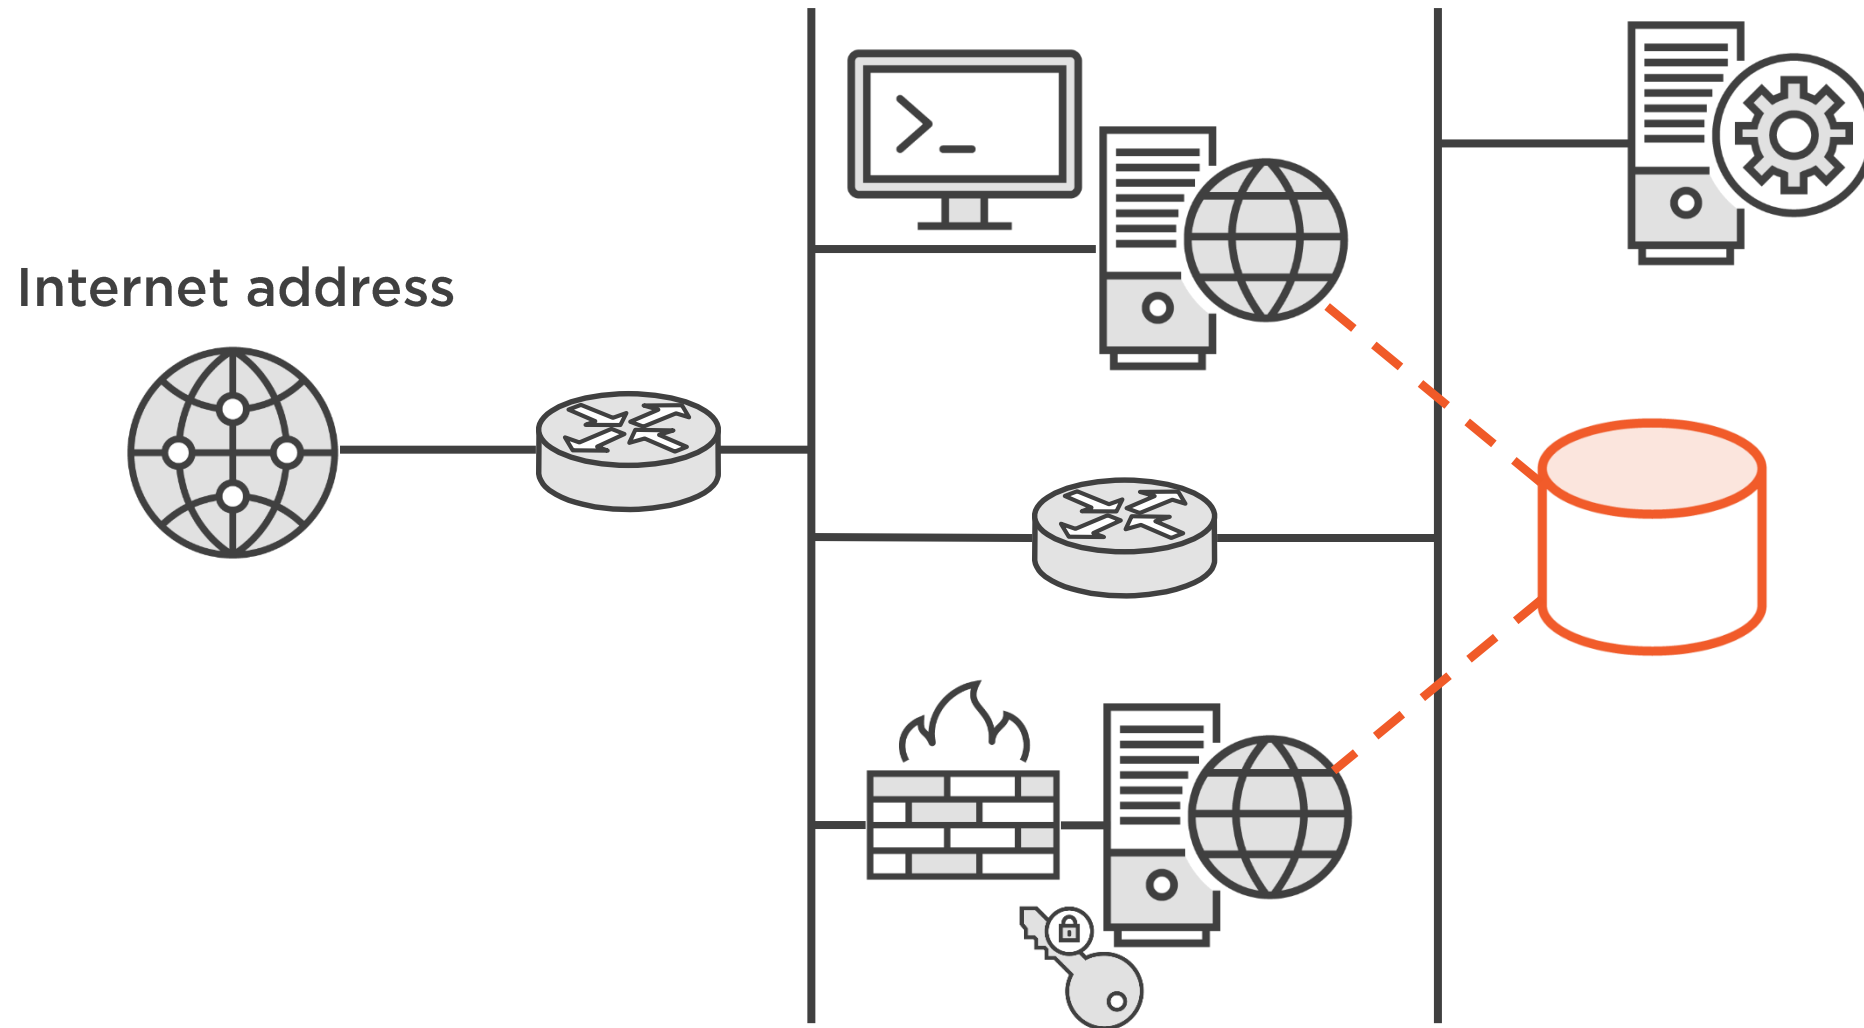

# Accessing Instances - Network

# Accessing Instances - SSH Keys

# Data Volumes

# Summary
